# LF RFID Keyfob Tag (53 × 37 mm, IP67)

Model LF TAG · Brand: Identium

A keyring RFID fob measuring 53 × 37 × 5.3 mm and weighing about 3 g, sealed to IP67. Staff, members and residents carry it on their keys and present it to an LF reader for entry or attendance.

## KEY FEATURES

- **53 × 37 × 5.3 mm body (±0.2 mm), sized for a keyring**
- **About 3 g, so it adds almost no weight to a bunch of keys**
- IP67 sealed against dust and water
- Low-frequency proximity fob for tap-to-read systems

## APPLICATIONS

Door access control · Staff attendance · Gym and club entry · Housing society gates · Visitor passes
