

UHF PVC Tamper Proof Wristband

Model UTW01 · Brand: Identium

A single-use UHF RFID wristband in waterproof PVC with a snap-fit clasp that breaks if removed, so bands cannot be swapped between people. Read at a distance at gates and portals for festivals, waterparks, hospitals and races.

KEY FEATURES

- **UHF EPC Gen2, 860–960 MHz (covers India's 865–868 MHz band)**
